## 2023 ANFA Nonwovens Conference

October 30 – 31 2023

**Venue:** Meeting Room S421, 4th Floor, Hong Kong Convention and Exhibition Centre, 1 Expo Drive, Wan Chai, Hong Kong

2023 ANFA Nonwovens Conference aims to bring major nonwoven leaders from around the globe together to exchange ideas, share knowledge and discuss the latest developments in our industry. This highly anticipated event is honored to have 12 distinguished speakers who are experts in the field of nonwovens.

The conference will cover various topics that are of utmost importance to the industry, including:

- **Market trends** for the nonwovens industry affected by the Covid-19 pandemic - This session will shed light on the impact of the pandemic on the nonwoven sector and discuss strategies to navigate through these challenging times.
- **Applications** for high-value nonwoven products - Attendees will gain insights into the diverse applications of high-value nonwoven products across industries such as hygiene, medical, filtration materials and others.
- **New technologies** for green nonwoven products - The conference will showcase innovative technologies that contribute to the production of sustainable and environmentally friendly nonwoven products.
- **New thinking and marketing models** for nonwoven manufacturers - Through interactive discussions, participants will explore novel ideas and marketing approaches to enhance their competitiveness in the nonwoven market.
- **Standards and certifications for** high-value nonwoven products in different countries - This session will provide valuable information on the standards and certifications required for nonwoven products in different countries.

**2023 ANFA Nonwovens Conference includes a high-level Conference Program, Exhibition, Product Presentations and Networking Functions.**

ANFA Nonwovens Conference 2023 is the first Asia Nonwovens Conference after almost 4 years Covid period. It is the most important networking and expertise exchange opportunity among the decision makers and key industry players. It is the conference that you don't want to miss.

**REGISTER NOW** to share your expertise and insights and to meet with your industry counterparts.

Registration Form, Sponsorship Opportunities and Conference Information are attached.
